

PONYTAILS & UPDO'S...YES YOU CAN!!!

One of the biggest things we miss in having to wear a hairpiece is the ponytail. Freedom Hair changes all that. You can wear your hair up in a high ponytail or up-do and no one knows your secret!

The Freedom Wig feels secure, and the undercut and "whispies" give your up-do a realistic look!

This is such a great option on hot days to help you cool off, for formal functions and parties, or just for day to day wear!

The Freedom to wear a ponytail...just imagine!
